Amardeep Singh Shergill

1973-1992

Vice-Chancellor's Message

The fundamental spirit of education is holistic learning which indoctrinates an individual's outlook in life and provides the students with deeper acumen and a wider vision. Education creates a foundation upon which rests the continual expansion of economy and society. In this epoch of globalization, technological progression and competitive world quality education is the only blessing.

I am pleased to take note of the fact that Amardeep Singh Shergill Memorial College, Mukandpur is envisaged to be an enduring centre of excellence in higher education, which is learner-centric, and anchored in innovative teaching methodologies and believes in holistic education for the students by incorporating in its programmes – academics, co-curricular activities, sports education and life-skills learning. With the notable intention to provide quality education and career opportunities to students of the region and make them employable the college is also focusing on professional courses. The institution is playing a pivotal role in the socio-economic development of the rural area. The college has state of the art infrastructure and is equipped to facilitate effective learning and it is nurturing a spirit of marching forward and keeping abreast with the ever changing society among its students.

I understand that Amardeep Singh Shergill Memorial College, Mukandpur will continue to inculcate openness of mind, dignity of conduct and mutual respect in its students and bring up a generation of young minds that are bustling with self-confidence and motivation.

My regards to the principal, members of the faculty and students for all their future endeavours.

Principal's Message

Amardeep Singh Shergill Memorial College, Mukandpur has been at the vanguard of academics since 1994. Truly saying, while taking the administrative duties as a Principal of this college again, feeling of both elation and gigantic responsibilities overpowered my thought process strongly. These feelings reminded me those olden days of beginning of my career when I joined this institution as a Lecturer and wished seeing it to be a model college in the academic sphere of Punjab. To fulfill this wish of mine, I took the administrative reign of college several times in the year gone by; worked enthusiastically and equipped the institution with strength to outshine itself among other colleges. Even now, under the aegis of University, I wish that this tenure of principalship of mine would prove to be a glorious period in the history of college. Being a senior faculty member and witness of foundation and establishment of it, I am committed to leave no stone unturned in the progress of college.

I am sincerely thankful to Prof. (Dr.) Jaspal Singh Sandhu, Hon'ble Vice Chancellor, GNDU, Amritsar for bestowing on me this responsibility. I express my heartfelt gratitude for Founder Chairman of Managing Committee and Padama Bhushan awardee Dr. S.S. Johl, Chancellor, Central University of Punjab, Bathinda. I am also thankful to Prof. (Dr.) Karanjit Singh Kahlon (Registrar), Prof. (Dr.) T.S. Banipal (Dean College Development Council) and Prof. (Dr.) Sarabjot Singh Behl (Dean Academic Affair).

I salute philanthropic efforts of S. Gurcharan Singh Shergill, Founder Chairman of Amardeep Singh Shergill Memorial Trust, Mukandpur and his associates for establishing such an institution serving noble cause of spreading education.

I thank members of faculty and non-teaching staff for their commendable services and welcome students who join this seat of learning.

May this college achieve glorious heights in the years to come.

Dr. Gurjant Singh
M. A., M. Phil, Ph. D.
Principal

OUR SPECTRUM

Amardeep Singh Shergill Memorial College, Mukandpur (SBS Nagar) was taken over by Guru Nanak Dev University, Amritsar on July 4th, 2007 as a Constituent College with the mission to provide quality education to the rural youth. The university has established this institution as Rural Model College. Under the aegis of worthy Vice-Chancellor, Prof. (Dr.) Jaspal Singh Sandhu, our college is progressing by leaps and bounds and the college is running professional courses like MCA and MBA since 2008.

The college was established in 1994 in the memory of Amardeep Singh Shergill, an illustrious student of London School of Economics who passed away in prime of his youth. He was the only son of S. Gurcharan Singh Shergill and Sardarni Surinder Kaur Shergill. Instead of getting subdued in grief, the parents decided to serve noble cause of spreading the light of knowledge amongst rural youth with the help of other 120 NRI associates.

The college is situated at Mukandpur which is a small town in district S.B.S. Nagar. It is about 8 Kms from Banga, 20Kms from Phagwara and 20 Kms from Phillaur and 20Kms from SBS Nagar. The campus sprawls over 20 acres with an architecture that merges with the landscape. It has a magnificent triple storeyed building with open shelf library, which has more than 33500 books, 40 journals/magazines and leading newspapers. The college library is providing e-journals and e-books through NLIST, Directory of Open Access Journals (DOAJ) and National Digital Library of India. The library has a separate e-book section also. The students can view the educational C.D's in the library. The college library provides facility of internet and photocopy to students and faculty members. Latest equipments are employed as teaching aids. The college has Physics, Chemistry, Botany, Zoology, Home Science, Child Care, Music (V), Dress Designing Labs and smart class rooms. There is a separate Computer Science and I.T. Block, which has six state of art Computer Labs equipped with 150 computers and internet connectivity of 20mbps(1:1) through radio link. Equipped with modern teaching aids the Department of Commerce and Business Management disseminates essential skills of entrepreneurship through academic and professional courses. There is a separate Seminar Hall with a seating capacity of 170 persons. A hostel for 80 girls is available with extended internet facility in it. The college has highly qualified, hardworking and dedicated faculty. Strength of the college is approximately 1000 and with the insertion of a number of new courses, we hope to gain even more students from the adjoining areas in near future.

Gymnasium with its latest imported machines is a cynosure of all the eyes. Sports facilities include a track of four hundred meter and playfields for football, hockey, volleyball and handball. Latest induction in the sports facilities is wrestling coaching which is provided free of cost to college students as well as to non-students. The college campus is fully covered under Wi-Fi facility. A fleet of buses carries the girl students to College and back to their homes. The beautiful open-air theatre helps our students to nurture their academic and cultural capabilities. To widen the horizons of the learners, seminars and extension lectures by eminent speakers are arranged in the college

Our Mission

To provide value based, job oriented education & training to the rural youth.

Our Vision

- To develop ideal human resource for meeting diverse socio-economic requirements of the country.
- To continuously strive for academic excellence.
- To inculcate and nurture human values in rural youth.
- To produce educated, enlightened, cultivated, committed and responsible citizens.
